

Inauguration Nation: Gadgets & Gear for Obama's First Year

These days, if you pick up the paper and *don't* see a quote or clip from the country's most notable name – Barack Obama – chances are good you're reading a newspaper from another planet. Starting with the early days of his campaign, to the administration's one year anniversary on January 20, 2010, Obama has topped media headlines with hot topics like healthcare and education, global warming and the recession. But these days, Obama's image is popping up in more than just the media spotlight.

From flip-flops and life-sized stand-ups to patches and posters, there are a number of new and inspiring presidential products that have recently hit the market. CSN Stores, the third-largest home goods e-retailer in the country, recently compiled a list of **Top 10 Gadgets and Gear for Obama's First Year**. The items will add fun and flair to any first year Obama celebrations, and make great gift ideas for the fashion-forward Obama fan. Take a look:
