CSN Features New Eco-Friendly Offerings For Your Cat or Dog

Who says your dog or cat can't live a sustainable lifestyle? This Earth Day and beyond, pamper your pet and the environment with one of these eco-friendly pet products. Ideal for the environmentally conscious pet owner, each product is fun, functional, and constructed of recyclable materials. Every little bit helps, so this spring, surprise your best friend with a green bed, dish, or toy like one of these:

- The Bella Pet Bed is made of eco2 recycled cotton that eliminates the need to grow, process, and dye the fiber. Perfect for dogs or cats, the high loft fiberfill in this bed is made from recycled soft drink bottles. Hypoallergenic and machine washable, you'll be green with envy when you see how comfortable your pet is in her new bed. Available for \$69.73 at CSNstores.com.
- Tired of picking up after your dog with plastic bags, which can take up to 1,000 years to degrade in landfills? The bio-degradable Skooperbox offers a green alternative that's made from 100 percent recycled paper, and is easy to use. Just open the ergonomically designed box, scoop the waste, and toss it in the box. Available at CSNstores.com for \$8.96, the Skooperbox clips onto your dog's leash, so it's ready when you need it.
- Cat lovers rejoice, the Whisker-Wide Pet Bowl is here. Handcrafted using 100 percent recycled glass, the bowl is shallow and wide enough to accommodate the width of your pet's whiskers, so your treasured feline will enjoy a more relaxed feeding routine and won't be distracted. It's \$16.01 at CSNstores.com.
- Ideal for cats or very small dogs, The Catalina Pet Bed's walls and pillow are filled with 100% recycled fiber. Offered by CSNstores.com for \$34, the entire bed can be machine washed and dried.
- Finally, we have the Turtle Dog Toy, an eco-friendly toy that's the perfect companion for your dog. Made from 85 percent post-consumer recycled soda bottles and stuffed with recycled polyfill, this Turtle isn't slow; he's actually very progressive. Available at CSNstores.com for \$12.76.
