Get on the hot seat!

FREEZING buns are no laughing matter in cold weather, so stay warm and cozy with the Hiny Heater. This toilet seat warmer attaches easily to the underside of the lid and washes up easily with soap

or cleaning products. A control switch has three settings for customized comfort. We have five \$93 Hiny Heaters from CSN Stores to give away FREE. To order, visit www.Everyfaucet.com,

a CSN Store, or call 800-958-0684.

Winners will also receive another clever bathroom product — Poof is a personal deodorizer that eliminates offensive odors with only one drop.

One tiny \$10 bottle holds 400 drops. Poof is available at drugstores and at www.poofdrops.com. For a chance to win, see page 54.
