Fans That Look Cool

Old-Fashioned Airflow, Beyond the Victorian Age

KEEPING cool in August is a priority for most people, especially when the humidity makes even moderate temperatures feel oppressive. And with air-conditioners among the biggest energy guzzlers in the home, the humble circulating fan may be worth reconsidering.

Fargo Desktop Fan in satin nickel and chrome by Fanimation; \$261.45 at CSN Ceiling Fans, (800) 675-4037, csnccilingfans.com.
