Cookie Baker's Dozen: 13 Essential Tools for Making the Holiday Season's Trademark Treats

COOKWARE.COM

Cooling Rack

When cooling freshly baked cookies, skip racks with a grid pattern, since "cookie crumbs, melted chocolate and icing get stuck in them and make them difficult to clean," says Guerrero. Opt for an old-fashioned thin-gauge model with feet instead.

Try the Paderno World Cuisine cooling rack, \$31.10 to 60.70 at [Cookware.com](https://www.cookware.com)
