Gourmet treasures make great gifts

Nothing will please food-obsessed friends and family more than a gift that feeds their love of all things gourmet. Whether you're looking for something to please a budding oenophile, a health nut or a member of the Pittsburgh diaspora, you'll find inspiration here.

For the gourmet who has everything

- The Blendtec Kitchen Mill can turn wheat, rice, beans, peas, corn, oats, rye and other legumes into fresh flour in seconds. It's stoneless, reducing heat and preserving more nutrients in food. Experiment with fresh pasta, breads and more. \$179.95 at www.csnstores.com.
