

## Thermo Cups Set Sweepstakes

Eternally modern and an immediate classic, these Thermo Cups complement the Pernille Veja and Verner Panton dinnerware collection. The seven-ounce cups come in black-and-white or color (one each of petrol, orange, red, and purple). The cups, designed by Danish designer Pernille Veja with a funky pattern by fellow Danish designer Verner Panton, are porcelain and both microwave and dishwasher safe (total value: \$80 for set of four).
