

Give Your Child The Gift Of A Clean Dorm Room

CSN Stores Features New, Innovative Gadgets That Will Help Keep Dorm Rooms Clean and Comfortable

Your new college student's dorm room is going to get dirty. The messy roommate, the left-over pizza, the piled up laundry: it all accumulates. Help your kids keep their dorm rooms fresh and comfortable with these new and innovative gadgets from CSN Stores. You may not always know what they're doing, but with these gifts, at least you can rest assured that their rooms are as clean as possible.

Verilux - Germ-X Sanitizing Wand

The Verilux UVC Sanitizing Wand utilizes powerful Germ-X Lightwave Technology to sanitize all surfaces instantly - eliminating mold, spores, bacteria and dust mites at the flick of a switch. Perfect for computer keyboards, laptops, mattresses, and flatware. CSN Stores' Price: \$129.95.

Herman Miller - C2 Climate Control

C2 is a simple-to-use, personal climate-control device that supports individual preferences by allowing users to control their environment. Perfect for those ever-changing, too hot, or too cold dorm room conditions, the C2 is designed to regulate one's microclimate. The C2 also acts as an air filter and intercepts particles as small as five microns, such as pollen and dust, keeping your student as comfortable as possible during allergy season. CSN Stores' Price: \$280.

Verilux - Germ-X Sanitizing Sweeper

Featuring Germ-X Lightwave Technology, this sweeper is lightweight and cord-free for quick and easy cleanups. The new Sanitizing Sweeper uses powerful ultraviolet light to kill germs, mold, bacteria and viruses that inhabit low-pile carpeting and floors. While the powerful beater brushes snatch up crumbs and dust, the Germ-X light kills dangerous germs - leaving your student's room truly clean and disinfected. CSN Stores' Price: \$99.95.

For Graduation or for a Back-To-School "bonus," consider giving your college student the gift of cleanliness, and yourself some peace of mind. For more information, please contact our PR gurus, Chuck Casto or Will Flanagan at ccasto@csnstores.com or wflanagan@csnstores.com.
