What's In & Out for Spring

In: Fashionable Mom-and-Baby

With celebrities becoming pregnant left and right, it's apparent: the new baby boom is here! "It's time to focus on the fashionable mom," says style publicist Chuck Casto. When it comes to strollers, diaper bags and bibs, Casto has some recommendations.

"Check this new line out from Dwell Studio for Spring—it's hot, fresh and palette-friendly for babies... No scary colors, thank you," he explains. "Even I'm excited about this new line! And fashionable moms will be, too." You can find the Transportation Bib and Burp Cloth Set (pictured) at CSNStores.com.
