

Oh, The Places They're Going

CSN Features A Wide Variety Of Ride-On Cars, Perfect For Your Little Graduate

Graduation gifts are no longer just for seniors and college kids. This year, surprise your little ones with gifts that let them know you're proud of their accomplishment, no matter how small. Whether they have just completed the fourth grade or preschool, your young scholar deserves a pat on the back.

CSN Stores features a wide variety of Ride-On Toys that are perfect for the child that is really going places. Safe and fun, these affordable toys will keep your child entertained through the dog days of summer and into the new school year. They're also a lot cheaper than the real car your teenager is asking for.

First, we have the Power Wheels Ford Mustang Electric Ride-On Toy. With realistic styling, chrome badges, logos, and premium interior details, this toy is about as real as you can get. Included in this battery-powered, ride-on toy are a pretend radio with prerecorded music, battery charge indicator, lights that flash in tune to the music and engine sounds that rev when the key is turned. The Power Wheels Ford Mustang Electric Ride-On is available for \$300 at csnstores.com.

Next is the Peg Perego Seafoam Green Vespa Scooter Ride-On Toy. This licensed Vespa Scooter has the power of a 12-volt rechargeable battery that propels it at a maximum of 5 mph. Onlookers will marvel at the realism of the Vespa's design. Perfect for the young one with a worldly perspective, it's \$269 at csnstores.com.

Finally, we have another Peg Perego product, the Ducati Monster Motorcycle Ride-On Toy. With exciting, bold colors, slip-resistant tires, a durable frame and front and rear shocks, the Ducati Monster is set to take on grass, dirt or hard-surfaced terrain. Perfect for those summer vacation adventures, the Peg Perego Ducati Monster Motorcycle is offered by csnstores.com for \$329.

The school year will be over before you know it, so act now and reward your child for all of his or her hard work. A ride-on toy is the perfect graduation gift for the little explorer on the go.
