

‘...While Visions of Mini Modern Goods Danced in their Heads’
Stocking Stuffers for the Future Forward

From Collectibles to Barware, AllModern.com Features New, Mini Modern Goods

Style-watchers at AllModern.com predict that stocking stuffers could have a “Renaissance” of sorts this holiday season '08, consider that there's a new crop of exciting miniature items offered by major upscale brands. These little charmers are so unique and unexpected, they could even upstage the gifts under the tree. Here's our Hot List of Stocking Stuffers for '08:

Brand New Miniatures by Vitra: \$145 - \$295

Brand New Miniatures by Alessi: \$20 - \$42

Prized by collectors, these miniature recreations of iconic designs have become the ultimate modern stocking stuffers. This Christmas, add to a love's one collection, or begin a new one for them, with a miniature from Vitra or Alessi.

The **brand new** Vitra Miniatures Collection presents classics of modern furniture history, reduced in size to a 1:6 scale, but integrating painstaking design details. Each of the models is hand-made and custom-built right down to the miniature screws and hand woven fabrics. So the next time someone dreams of having a high-end chair or table, surprise them with one of these tiny versions... and maybe save up for the larger one, too.

At the same time, Alessi has unveiled a series of **brand new** miniatures comprising a number of classics from the last 60 years of production. This impressive series gives avid collectors of modern products the chance to complete their private collections of authentic Alessi items.

Alessi - "Pop-Up" Bottle Cap Remover by Giovanni Alessi Anghini - \$49

The intriguing, **brand new** "Pop Up" Bottle Cap Remover is a fun and functional stocking stuffer. Featuring a unique pressure opening mechanism, this bottle opener removes caps with just a light touch. Within the opener is a magnet that holds the removed cap, preventing it from falling to the floor. Its sleek stainless steel base, mirror-polished finish, and superior functionality make this gadget a great Christmas gift!

Alessi - "Banana Boys" Set of Three Bottle Stoppers by Stefano Giovannoni - \$36

The magic of Giovannoni's design lies in the fact that these objects recall the grace of 18th century ceramic trinkets. Giovannoni's whimsical style and penchant for vibrant colors are apparent in the hand-decorated, **brand new** "Banana Boys" Bottle Stoppers. Featuring three different facial expressions, these endearing bottle stoppers make for a great stocking stuffer for the modern minded. In their own way, they also promote positive thinking, which is so important around the holiday season (see no evil, hear no evil and speak no evil.)

Blomus - Cino Foil Cutter - \$10.97

The Cino Foil Cutter is the ideal stocking stuffer for the wine aficionado in the family. A necessity for any home bar, this durable accessory will help maintain a wine's flavor and minimize messes. This Christmas, complete your loved one's bar set with a foil cutter.

iittala - Artik Cake Lifter - \$31

Representing sophisticated design, the **brand new** Artik Cake Lifter from iittala is the ideal stocking stuffer for the modern foodie. The simplicity of the form is balanced by the polished stainless steel handle of the lifter. It's as beautiful as it's easy to use.

iittala - Ote/Grip Set of Two 12 Oz. or 8 Oz. Turquoise Blue Tumblers - \$18.75 and \$14.50

These **brand new** tumblers from iittala will make a great addition to modern drinkware sets everywhere. Overall, the Ote series can be compared to a good wine: full-bodied and smooth, rich in nuances, and it goes well with a number of dishes. Complete your loved one's modern cabinet this holiday season with these new tumblers.

Blomus - Humydo Rectangular Humidifier - \$33.11

Not your typical stocking stuffer, this innovative and **brand new** tool is sure to surprise and delight this Christmas morning. This humidifier is as decorative as it is functional, and its simple design allows the water to evaporate naturally, humidifying your space without electricity. With stainless steel construction and a soothing design, this humidifier will improve more than just the air quality in any room.

notNeutral - Season Decals - \$60

These **brand new**, fun and colorful decals are the perfect stocking stuffer for the modern child. Included in this set are 44 decals which include tree trunk parts, leaves, flowers, birds and butterflies. Made of reusable and removable vinyl, the decals will leave no unsightly marks or wall damage. Make the wall art interactive and fun by encouraging your child to remove leaves or add flowers in coordination with the seasons.

Droog - Window Drops \$23.42

Droog Window Drops are perfect stocking stuffers for anyone looking to add personality to a new dorm room, apartment, or family room. These Window Drops are a unique, simple way to transform an ordinary window into art. Mimicking the properties of water, these drops can be arranged on a window in an endless number of ways to create reflections and morph the viewer's perspective.
