## Divine Find: The Prissy Hen; CSN stores; Lift Me Up Cards

Do you know of a Divine Find, a local shop or boutique with an especially distinct flair? Send info to [kvarma@sun-sentinel.com](mailto:kvarma@sun-sentinel.com). Include jpegs, if possible.

When just one shopping Web site won't do, check out CSN Stores ( [www.csnstores.com](http://www.csnstores.com) ) — the central site for this company's more than 200 sites.

Some stats from the company itself: "CSN Stores began in 2002 and has grown rapidly into a Top 10 online retailer of home and office goods with 500-plus employees in Boston.

"At the end of 2007, we surpassed \$201 million in sales. We regularly add more than 10,000 products per month to our 200-plus Web sites, which include: CSNStores.com, AllModern.com, Cookware.com, Luggage.com, BedroomFurniture.com, CSNLighting.com and Strollers.com."

The central site provides lots of choices for consumers. A quick look at kids' desks brought 173 items.

Luckily, the site provides several ways to narrow your results, including size, customer ratings, brand, features and even shipping speed.
