reward your graduate

CSN Stores offers products designed for graduates of all ages to have some backyard summer fun:

-- The Garden House Play Tent

It's designed for kindergarteners to third graders. This outside activity area gives future gardeners a place to play while helping their parents with the yard work.

-- BagBall Bean Bag Toss Game

The fourth to sixth grade grads can start practicing to be champs at horseshoes with the BagBall Bean Bag Toss Game.

The two sided game provides one side for tossing the bags into nets and the other for a baseball bean bag game.

-- Tetherball set

The kids won't have to go to the school playground to get some exercise with the Park and Sun Deluxe Tetherball Set. The set comes with everything needed and barely takes up any space in the backyard.

-- Mini Electric Euro-Style Scooter

It looks like a moped and can go up to 15 mph. This little scooter is perfect for cruising around the backyard or down the street to a friend's house.

-- Hammock

And to relax after a long year of hitting the books, there is a hammock with adjustable footrests, armrests, a beverage holder and an inflatable, adjustable pillow.

All of these items can be found at csnstores.com.
