Posted Tuesday, May 27, 2008 1:50 PM

Father's Day is right around the corner (June 15), meaning it's high time to start thinking about presents! Check out our fave products below, then (best part) enter to win each one.

#### A diaper bag fit for daddy duty

Gone are the days of tacky bright diaper bags (phew!). Now Dad can feel cool while toting around diaper rash cream and teething in a sleek, stylish, and (most important of all) *rugged-looking* diaper bag.

**Giveaway: 3 Skip Hop diaper bags from CSNstores.com**
