

Modern Gifts for the Merry Mini Movers

From Strollers to Ride-On Toys, AllModernBaby.com Features New Holiday Items for the Little One On-the-Go

Whether they're rocking, rolling, peddling, pushing, cruising, or crawling, kids are always on the move. Much like their adult counterparts, kids like to travel in style. This year, many modern designers have created new and exciting options for kids, such as ergonomic scooters and self-propelled, mini-mountain bikes. Recognizing this trend, our specialists at AllModernBaby.com have compiled a short list of the top '08 items for the modern mini-movers. Check them out below:

Small Paul by Paul Frank - Log Rocker Small Paul by Paul Frank - U Roll Ride-On

Featuring clean lines and bright colors, these two new toys from Small Paul are as fun as they are fashionable. Both are constructed from durable, molded plywood and proudly showcase the famed 'Julius' design from Paul Frank that has become a staple in modern playrooms.

The **brand new** Log Rocker will have little ones 'rocking the house,' imagining themselves on a rollercoaster, bucking bronco, or even a sailboat. Its large size is suitable for two kids, doubling the fun.

The **brand new** URoll is the perfect size for little racers and boasts a cantilevered seat strong enough for Mom and Dad. Its floating form creates a dynamic toy car that lets juniors cruise in style. With an incredible turning radius, it's agile enough for small spaces and able to maneuver around tight corners. Perfect for the indoors and outdoors, this ride is destined to become a kid favorite. These two new toys are ideal for nurseries and playrooms and are available at AllModernBaby.com for \$215 and \$175, respectively.

Italtrike - Oko Ergonomic Scooter Plus with Shade

Few holiday gifts will be as adored and admired as much as this one. Created by studying children's comfort at play, the Oko Plus' shape was designed to cater to the curves and lines of a child's body. The cradle-shaped frame adds a modern flair but also provides more room and comfort for the driver. Its nine saddle and handlebar adjustments guarantee an ideal position, while its three-point safety belt ensures protection. With pedals on the mid-frame of this tricycle, your child will feel like he's riding a bike! Made in Italy and featuring an electronic console that makes fun car noises, this fun and functional bike is available at CSNStores.com for \$136.99.

LIKEaBIKE - Mountain Wooden Bike

Made of strong laminated Birch plywood and handcrafted in Germany, this toy from LIKEaBike is the ultimate in performance and durability. Ideal for kids ages 2-5, the Mountain Wooden Bike is the only model with handmade wooden wheels for a nice, solid appearance, and zero added weight. The bike's pneumatic wheels make it perfect for indoor use on soft surfaces, as well. An array of optional accessories are available so that the child can customize his or her LIKEaBIKE. It's \$315 at AllModernBaby.com.

Bugaboo - Cameleon Stroller

Parents of a brand new mini mover can use all the help they can get. Introducing the **brand new** Bugaboo Cameleon Stroller -- the perfect solution for the new mom or dad on the go. Adapting to the needs of the parent and child in almost any environment or climate, this stroller is a celebration of transformation. The front wheels and handle bar can be removed or switched for easy pulling on sand or snow. The basket repositions to either face away or towards the pusher, depending on the child's preferences, and the base can detach to be used as a bassinet. The possibilities are endless for this attractive, multi-functional stroller. Available in several colors, this is the ultimate Christmas and Holiday gift for the brand new family. Starts at \$869.95 at CSNBaby.com.

Bugaboo - Frog Footmuff

When the weather outside is frightful - the Bugaboo Frog Footmuff is lined with a comfortable fleece to keep your child warm from a cold day or night. This footmuff combines simplicity with elegance as it is the perfect addition to your child's stroller or bassinet. Available in blue, gray, red, and black at AllModernBaby.com for \$129.95.
