- Decanting old wines, just a few moments before they are served, helps to ensure that the wines clarity and brilliance are not obscured by any deposit that may have developed over time.

Riedel Chardonnay Wine Glasses - Set of 4

[View Image](#)

Item Information

Estimated Value \$106.00

Item Number EFR5577

Item Description

Enhance the beauty of your table setting while these four white wine glasses emphasize and enhance the flavors of every wine you drink.

New [Vinum Extreme Chardonnay Glasses](#) from Riedel combine a dazzling oversized bowl with a unique angular look and an extra-tall stem to create a wine glass that is as beautiful to look at as it is to drink from.

Vinum Extreme is the latest development in Riedel's "Gourmet Glass Concept". The inspiration for this development can be attributed to three factors:

1. The steady improvement in wine quality, to more dense, more concentrated and more perfect wines, which call for the development of new shapes.
2. To translate a wine's message in a perfect way.
3. The progress that has been made in the features and quality of machine production.
