10 THINGS YOU'D LOVE FOR SCHOOL

A FEW MORE THINGS TO ADD TO YOUR LIST OF BACK-TO-SCHOOL MUST-HAVES, YOU CAN THANK US LATER

[1] If you're an iPhone/Apple hater but you secretly think it's the coolest phone out there right now, the Sprint-exclusive **Sam-sung Instinct** (sprint.com) is your best bet for a multi-tasking, touch-screen phone.

[2] Make up for letting the water run while brushing your teeth by carrying your groceries in **Envirosax's Eco-Friendly Bag** (3RLiving.com) and redeem some green points.

[3] For those of you that love to carry your life around with you, **Burton Promoter**

Messenger Bag (csnstores.com) has all the nooks and crannies to put all your school supplies — including your laptop — into this cushy messenger.

[4] Next to studying, doing laundry is probably the last thing you want to do. **Tide-To-Go** (tide.com) lets you laze about having to wash those coffee-stained jeans. Simply remove the stain with this pen filled with liquid awesome. Stink, however, is a different story.
