Website - Canadian cybershoppers may want to set aside some time online this weekend to suss out that trendy chocolate brown-and-pink nursery bedding set, or a seven-piece JA Henckels knife block, or any of the other 999,998 home furnishing and decor products available at [csnstores.com](http://csnstores.com).

CSN Stores, ranked among the top three U.S. retailers of home furnishings and housewares, is now welcoming shoppers north of the border after reworking its shipping logistics to make it hassle-free for Canadians to order online. The company has also reduced its shipping surcharges.

Canadians can shop for well-known branded products ranging from barstools to bedroom sets, in price ranges to fit any budget.
