[Nemo LED Chain Lamp](#)

This innovative and sexy lamp is designed by Iliara Marelli for desk use, but its compact design makes it perfect for carrying it outdoors with you. The chain lamp neatly condenses into a device a mere 2.75" in height when not in use, and when stretched to full, it measures 22" in height and shines brightly with its four white LEDs of 1 watt each. Available for a discounted price of [\\$446](#), with no additional shipping charges, from CSNLighting.
