Stamina InTone Folding Recumbent Bike

You know how some mornings it's cold and sleeting and you're crunched for time and the gym is such a shlep but you still want to workout? How nice would it to be have something like CSNStores.com's [Stamina InTone Folding Recumbent Bike](#) in your closet for such occasions? In case of emergency, break open and ride. No, this is not a misplaced caption from the photo above.
