

Obama-rama: Where you can get cool Barack merch

The Barack Obama cutout is \$34.99 at csnstores.com.

For an inauguration party

You can have Obama attend your inauguration party if you buy the life-size cutout of him (\$34.99 at

csnstores.com/asp/show_collection.asp?XnlID=26279). For added laughs, they also sell John McCain, George W. Bush, Hillary Clinton and others.

Plan now for your inauguration party

If you're not going to Washington Jan. 20, you might want to host an inauguration party for friends still in the Chicago area.

Even Republicans can huddle together to plan strategy for the next four years.

The President-elect will be busy and won't be able to make appearances in the suburbs of his hometown. If you're interested in a stand-in, this life-size cardboard image is \$35 from csnstores.com. A few other folks are available, too, as are various relevant posters.
