

CSN Stores, a Top 3 online retailer in the U.S that recently opened for business in the U.K., relies on the expertise and knowledge from dozens of home and office goods specialists, who regularly review thousands of new products. CSN's specialists pinpoint emerging trends and the hottest items throughout the year.

To assemble the ultimate Mother's Day Gift List for '09, we asked our U.K. specialists from categories like cookware and lighting to recommend the new "must-haves" for moms. Below is **CSN's Trendy 10 List for Mother's Day**. Our experts have chosen items that are both affordable and appealing, so you can make Mother's Day memorable without having to break the bank:
