

Star-Telegram

Your Life

My techie Valentine

What's the best way to say I love you? With clever, pretty gadgets, of course

▲ **Kalorik heart waffle maker**

Start the day off with an “awwww” by serving breakfast in bed with waffles shaped like hearts. Corny, yes, but you know it’s a hit. The 1,000-watt waffle iron turns out 6-inch hearts and has six temperature settings so you make them in your famous style. \$29.99; www.csnstores.com.
