7 fun and quirky winter style breakthroughs

Stay fashionably warm this season with smart and unique products

Surviving the unpredictable winter weather in both style and comfort can be a daunting task. It always seems like the more practical an item is to help us brave the elements, the more silly it makes us look. These all-season essentials ensure that we bear the brunt of winter weather — ice, rain, snow, sleet and cold — beautifully:

Snoozer Pet Umbrella; at CSNStores.com

Breakthrough: For dogs that won't dare wear a rainjacket, this keeps them dry and warm so they don't get sick and/or matted in wet snow and rain. This umbrella works like a leash and clips to collar — bendable handle adjusts to your height.
