

HOT COMMODITY

FALL'S A GREAT TIME TO TAKE FOOD ON THE ROAD, WHETHER YOU'RE HEADED TO A TAILGATE, A PICNIC, OR BACK TO SCHOOL OR WORK. LET THESE PRODUCTS MAKE YOUR LIFE A LITTLE EASIER—AND ZESTIER—THIS FALL.

BY THE CHILE PEPPER TEAM

Beetle Spoons

We try to keep bugs out of our chili, but these playful beetles have us changing our tune. *The Container Store; \$9.99 each*

Rechargeable Portable Blender

Cool off with this no-outlet-required blender, which makes up to 30 pitchers of your favorite frozen treat on a single charge. *Coleman; \$59.99*

Cereal-on-the-Go

Keeps milk cold and cereal dry by storing them in separate compartments and even comes with its own spoon. But don't stop at cereal—why not chips and gazpacho? *The Container Store; \$4.99*

Mr. Bento Stainless Steel Lunch Jar

This multitiered lunch box allows you to pack up to four hot (or cold) sides for your most elaborate desk lunch ever. *Zojirushi; \$39.50*

Bayou Classic Paper Plate Cup Can Caddy

No place to set your drink down while you tear into those ribs? This caddy has you covered, and it also supports flimsy paper plates. *CSN Stores; \$9 for set of two*

Titanium Spork

The spoon-fork-in-one you know and love, now in super sturdy titanium. *Snow Peak; \$8.95*
