Recipes and props for creating the perfect Oscars party in your own home

No matter which Oscar-nominated movies you have or haven't seen, you can host your own star-studded Academy Awards party Sunday night and make your guests feel like celebrities.

Most of what you need can be ordered ahead of time, and you can supplement your snacks and entrees with some celebrity-themed cocktails. Here's where to shop and what to shake in that cocktail shaker:

No Oscar party would be complete without **fresh popcorn**, and CSN Stores has a "high performance" popcorn maker that will be a hit on Sunday night and at future movie nights. You can order it for \$49.99 from CSN Stores, which offers home furnishings and housewares. Go to the Web site [here](#).
